

SWIRL, SMELL, SIP

Our wine selection focuses on small, artisanal & eco-friendly producers. Like the wines, this list is alive and always evolving, on the record, off the record.....

Please ask our wine gang for any advice, temptations and great juices!

SKIN CONTACT BY THE GLASS & CARAFE

The "Skin Contact" or "Orange Wines" are white wines made with a longer maceration of the skin of the white grapes.

The process follows the red wine making and therefore shows a deeper colour, an intense aromatic with a bigger spicy punch a fantastic texture with some tannins....

Ask our sommelier gang for recommendations and discover some fantastic new wine experiences.
