## SKIN CONTACT & ROSÉ

The “Skin Contact” or “Orange Wines” are white wines made with a longer maceration of the grape’s skin.

The process follows traditional red winemaking, therefore the contact from the skins makes the wine a deeper colour, intensifies the aroma and develops the texture of the wine’s tannins.

For any additional information or recommendation, seek one of our Sommeliers to give you a helping hand.

		GLASS 12.5 CL	CARAFE 37.5 CL	BOTTLE 75 CL
